

MÜPRO wall hanger supports for air conditioning systems

Product advantages

- ▶ Ideal for wall fastening for devices such as ventilation and air conditioning systems, pumps, domestic water tanks
- ▶ Easy installation due to pre-mounted components
- ▶ MPC support channels are fitted with protection caps, cut to size and punched on the back
- ▶ Various lengths available (according to type of device)
- ▶ Simple height adjustment of the brackets by means of sliding hammer-head bolts
- ▶ Rail nuts allow easy repositioning of the support centres
